Raw not cooked, crude; ra Gothichreaw Saxonroh and rank Germanrough. Most damning, however, was alleged evidence that he had stashed gold at the bottom of the sea, presumably to be retrieved later on: When the receivership went back down to the Central America inthey found coins and gold bars that had been neatly laid out on trays. Bringing considerable erudition to his analyses of literary works, Wallace situates the literary texts in relation to the interlinked sites of "medieval" London and "Renaissance" Florence, testing the validity of such terminology and suggesting that literary critics should instead "suspend belief in cultural partitions" 7.
