The Decline of Latin American Economies: Growth, Institutions, and Crises (National Bureau of Economic Research Conference Report)

It has since struck me as one of the most touching aspects of the part played in life by these idle, painstaking women that they devote all their generosity, all their talent, their transferable dreams of sentimental beauty for, like all artists, they never seek to realise the value of those dreams, or to enclose them in the four-square frame of everyday life and their gold, which counts for little, to the fashioning of a fine and precious setting for the rubbed and scratched and ill-polished lives of men. Aber wie soll sie aussehen.

Traveling in England For Women (Travel Dining For Single Women Book 1)

Its worth a shot. Hi My name is Petra and I live in south of Sweden.
