This book is probably my least favourite of the Nell Bray series that I've read so far which is what comes of starting at the end. This page book is by a former leading member of the Communist Party ,of Canada and describes his fight against revisionism during and after World War II. The satellite network uses a CDMA spread-spectrum technique [] : where the low-bitrate message data is encoded with a high-rate pseudo-random PRN sequence that is different for each satellite.
